### **Washing Instructions:**

Ruahine Football Shirts & Team Bibs:

Please wash inside out, COLD HAND WASH recommended. If machine washing, please use a laundry bag and COLD WASH. DO NOT TUMBLE DRY OR IRON - this makes the logos fall off.

Balls & Cones : Hose off excess mud following each game. Scrub gently to remove excess dirt and air dry (enclosed trampolines are a great spot for this).

If word "Ruahine" on balls and cones come off during the season, please re-write Ruahine on them so they are easily identified.
